Mr. George W. Goddard
Director Photographic Division
Bulova Watch Company, Inc.
61-10 Woodside Avenue
Woodside 77, New York

Dear George:

The information supplied with your letter has been turned over to Colonel F. C. G. Oder for his information. Your interest in this matter is greatly appreciated.

Based on the discussions you have had with the representatives of the WS 117L office and with Lockheed personnel, I am certain that the capability of Bulova in this field is fully recognized by all concerned with the program.

In view of this please be assured that Bulova Watch Company will receive full consideration as a possible source for work in those areas in which the company has demonstrated a capability.

Sincerely,

(s)
